

To find the LickinFlames studio at 14306 Hobnob Way in Nevada City, CA:

This is situation where GPS and Google may not do you any favors. It is best not to use either to drive to the studio. If you use a GPS program and the software directs you to access Hobnob (our little road) via "Bernard Lane" DON'T ...there is no Bernard Lane.

Drive North on Highway 49 (from Hwy 80 in Auburn or Hwy 20) through Grass Valley and then through Nevada City.

Take the Highway 49 turn just past Nevada City to the **LEFT** towards Downieville. If you do not make the turn onto Hwy 49 and continue straight you will be on Hwy 20 headed to Truckee and beyond. The turn onto 49 is from the **LEFT** lane.

The first light (the only light in Nevada City) after the turn onto Hwy 49 is North Bloomfield...turn **RIGHT** at that light.

Head up the hill for **.5 miles** to a "T" in the road. It is NOT a stop sign in your direction. Turn **LEFT** at the "T" and onto Lake Vera Purdon Road. There are a couple of really nasty twists before that "T"...if it says 15 mph...it sort of means 15. **Just after** the "T" and the turn onto Lake Vera Purdon Road, Vera Purdon will bend to the RIGHT. At that point you will see a "Y" in the road. LVPR bends to the RIGHT and down the hill.

Measuring from the "T" go **.5 miles** to Rock Creek Road. Turn **RIGHT** onto Rock Creek Road (you can only turn to the RIGHT and it is the first non-driveway after going down the hill) and travel another **.6 miles** to the turn onto Nobnob Way. Hobnob Way has a bunch of mail boxes at the base of the road. Hobnob sort of looks like a driveway. It goes up steeply. Turn **RIGHT** onto Hobnob (you can only turn RIGHT).

Travel along Hobnob for **.4 miles** and look for our house number on your left. Turn **LEFT** at the house sign and then **RIGHT** down to the house.

Now you be hobnokin' 😊
